塾生による英文作品集 私の愛用する「チンアナゴのだきまくら」のはなし

I am going to write about my ※body pillow. ※だきまくら

My grandfather gave me a cute body pillow ※in the shape of a spotted garden eel. ※チンアナゴの形をした

He gave it to me as a present for my eighth-birthday.

I can't sleep well without it. ※(lol) ※ (笑)

When I sleep with it, my heart is filled with a ※sense of security! ※安心感

I take care of it very well. I wash it once a year.

After the washing, it smells like ※fresh laundry. ※洗い立ての洗濯物

The other day, I even changed its ※stuffing (cotton). ※中身 (綿)

Have you ever slept with a body pillow? If not, please try it.

You will never ※live without it anymore. ※それなしでは生きられない

So good.
So cool, Soya!
