Which do you like better, traveling by train or traveling by airplane?

### Train

In my opinion, I like traveling by train better. I have two reasons why I think so

One reason is that we can enjoy the scenery and eat *Ekiben*. Another reason is that while I'm taking a train, I can use your time effectively.

That is why I like traveling by train.

### Airplane

I like traveling by airplane I have many reasons for this.

First, the airplane makes me feel that we go on a trip more.

Second, you can go to the bathroom right away.

Third, you can enjoy seeing the sky.

Finally, the in-flight meal is very delicious.

Therefore, I like traveling by airplane better.

Which do you like better, watching movies in a movie theater or at home?

### movie theater

I like watching movies in a movie theater better than watching them at home. I have three reasons for this.

First, I think we can feel reality in a movie theater more.

Second, we can enjoy unique in a movie theater.

Third, we can remain memories if we keep a ticket.

For these reasons, I like watching movies in a movie theater better than watching at home.

### home

In my opinion, I like watching movies at home better.

I have two reasons for this.

First, we don't have to worry about your surroundings. For example, when I was moved and want to cry, or when it's funny and we want to laugh, we can do as we want to do.

Second, it doesn't cost a lot of money. It costs money to go to the cinema, but you can save money by watching them on your smartphone or computer .

For these two reasons, I like watching movies at home better.

## Topic3

Do you think it is better to read e-books or paper books?

### Paper books

I think it is better to read paper books than e-books.

I have two reasons for this.

First, it's easy to get the feeling that you're reading something, so it's easy to remember.

Second, paper books are used more freely. For example, we can mark and crease them.

Therefore, I think it is better to read paper book than e-books.

### e-books

I think it is better to read e-books than paper books.

I have two reasons for this.

First, you can read it anywhere on your smartphone. You don't have to carry many books by reading on your smartphone.

Second, e-books don't need a bookshelf.

For these two reasons, I think it is better to read e-books than paper books.

**Do you think it is a good idea to study while listening to music?**

### Pro

I think it is a good idea to study while listening to music. I have two reasons for this.

One reason is that you can change your study into fun activity. Even if it's a bad subject, I feel like listening to music.

Another reason is that we don't feel tired because we can concentrate on studying longer. I think that I do not need to get tired of studying if I get more concentration.

For these two reasons, I think it is a good idea to study while listening to music.

### Con

I don't think it is a good idea to study while listening to music. I have two reasons for this.

First, I can't concentrate on studying. If you listen to music, you will not be able to study.

Second, if you study listening to music, you will not be able to concentrate when you are not listening to music.

Therefore, I don't think it is a good idea to study while listening to music.

### Do you think convenience stores should stay open 24 hours a day?

#### Pro

I think that convenience stores should stay open 24 hours a day.

I have two reasons for this.

First, I think it should be available to people who work late the night. I also think it's better to make it available to people who work early in the morning.

Second, I think it's better to be able to buy what you need right now in the event of an emergency.

Therefore I think that convenience stores should stay open 24 hours a day.

#### Con

I don't think convenience stores should stay open 24 hours.

One of the reasons is that they waste so much electricity.

The second reason is that they cause so much noise and people living near them might have some trouble sleeping at night.

For these reason, I don't think convenience stores should stay open 24 hours.
